SECTION 1 – TERMS AND DEFINITIONS

Subcontractor -- A properly licensed party under contract to and responsible to the Contractor for performing a specified part of the Work; or a properly licensed party under contract and responsible to a Subcontractor of the Contractor.

Substantial Completion -- The formal written acceptance by the Engineer that field work is substantially complete. This may initiate the beginning of the warranty period defined by the Contract, but shall not bind the City to final Acceptance nor relieve the Contractor from the responsibility of completing or correcting any Work.

Supplemental Conditions – Additions, revisions, special directions, and requirements peculiar to a project site and not otherwise thoroughly set forth in General Conditions and/or these Specifications.

Supplemental Drawing -- Supplemental Drawings define the Plans or Specifications in greater detail by providing additional information that may have not been specifically or clearly shown or called out on the Plans or in the Specifications.

Technical Provisions -- The provisions of the Standard Construction Specifications that describe the technical aspects of the Work.

Total Contract Price -- The total price for the Work as bid by the Contractor, including any additions or subtractions made via Contract Change Orders.

Work -- All actions which the Contractor is contractually required to do as specified, indicated, shown, contemplated, or implied in the Contract to construct the Work, including all alterations, amendments, or extensions made by Contract Change Order or other written orders or directives of the City. Unless specified otherwise in the Contract, the Work includes furnishing all materials, supplies, equipment, tools, labor, transportation, supervision, and all incidentals necessary to complete the Work.

Working Day -- Any day except:

- (a) Saturdays, Sundays, and legal holidays;
- (b) days on which the Contractor is specifically required by the Contract or by law to suspend construction operations; or
- (c) days on which the Contractor is prevented from proceeding with the current controlling operation or operations of the Work for at least five (5) hours per day due to inclement weather, or conditions resulting immediately therefrom; or
- (d) as defined in the Contract.

Working Drawing -- Working Drawings detail a particular item of work and the manner in which it is to be accomplished or performed. Working Drawings are prepared by the Contractor as a submittal or a portion of a submittal and may be specifically requested by the City or required in the Contract or a Field Instruction or other written directive.

Written Notice -- “Written Notice” shall be deemed to have been duly served when delivered in person to the individual or to a member of the firm or to an officer of the corporation for whom it is intended, or if delivered at or sent by U.S. mail to the last business address known to him who gives the notice.
