Briefly describe your business.			

Certification of Generator Status: I certify that the above information is true and correct. I further certify that the entity I represent is a Small Quantity Generator pursuant to 40 CFR 261.5 and that I am authorized to sign this document on behalf of the entity. I understand that it is the responsibility of the Generator to comply with all applicable Federal, State, and local regulations concerning hazardous waste management. I further understand that if the Generator does not meet all the requirements or generates hazardous waste in quantities greater than those specified in 40 CFR 261.5, the Generator will no longer qualify as a Conditionally Exempt Small Quantity Generator and can no longer use this service. Acceptance of these wastes is solely at the discretion of the Small Quantity Generator Program.
