## Standards Update Transmittal

Reference Number: 2024v-21  
Standards: Standard Construction Specification, Sections 1-3, 49-1.04, 49-6 and 49-7.01

### Update:

1. Modification to Standard Construction Specification:
  - a. Section 1-3, Definitions, revised website address under Authorized Materials List to [elkgrove.gov/aml](http://elkgrove.gov/aml)
  - b. Section 49-1.04 Equipment List and Drawings, revised sentence 4 to correctly reference relevant State Specifications.
  - c. Section 49-6 CCTV Camera System, revised the wording from “Approved Materials List” to “Authorized Materials List” pursuant to Section 1-3 Definitions
  - d. Section 49-7.01 LED Luminaires, revised to exclude the mention of LED Luminaires being on the Authorized Materials List.

### Effect of Update:

1. This modification will ensure the correct webpage is accessed.
2. This modification will ensure the proper reference to the State Specifications and avoid any confusion of expectations and delay of projects.
3. Correctly references our City’s Authorized Materials List
4. Removes confusion of LED Luminaires being on the Authorized Materials List

**1-3 DEFINITIONS**

*Replace the definition of Authorized Materials List with the following:*

**Authorized Materials List** -- A list of authorized materials published on the City's website at the following location: elkgrove.gov/aml

.....

**49-1.04 Equipment List and Drawings**

*Replace paragraph 1 of Section 49-1.04 with the following:*

The Contractor shall provide the City an Equipment List and Installation Drawings for all Signals, Lighting and Electric Systems to be constructed or installed. The Contractor shall include on the equipment list the installation location of material supplied. This shall be done by the use of street names, the alphabetical letter designation used on the Plans, or a location as otherwise noted on the Plans. Equipment lists and drawings shall conform to Section 86-1.01C, "Submittals", of the State Specifications. If requested by the City, the Contractor shall submit for review sample articles of the material proposed for use. After review, said sample articles will be returned.

.....

**49-6 CCTV CAMERA SYSTEM**

*Replace the word "Approved" with "Authorized" for the Materials List.*

CCTV camera system shall conform to the City's Authorized Materials List for Traffic Signal Cabinets and Components.

.....

**49-7.01 LED Luminaires**

*Replace 49-7.01, A. General, 2 with the following:*

A. General

1. Luminaires for street lighting shall be Type III cutoff distribution, unless otherwise specified in these Standards.
2. LED luminaires shall be of the same style and color of existing luminaire types in conformance to the Standard Drawings. Where conflicts exist between Standard Drawings and these specifications, these specifications shall govern.
