## Standards Update Transmittal

Reference Number: 2024v-26  
Standards: Standard Construction Specifications, 1-3

### Update:

1. Modification to Standard Construction Specifications:
  - a. Section 1-3 - DEFINITIONS, removed “2022” and replaced with “current” for definitions of State Specifications and State Plans.

### Effect of Update:

1. This modification revises the definition of State Specifications and State Plans to use the current version rather than the 2022 version.
